

EXAMINATION REGULATIONS

Mid Semester Examination

- Minimum desirable percentage to repeat Mid Semester Examination (MSE) is 85% in the course concerned.
- For the repeat MSE there will be a reduction in the weightage of marks.
- Absentee's parents will be alerted within 1 hour through SMS after the commencement of the examination.

Supplementary Examination

- There will be a supplementary examination for all the papers of all semesters along with ESE held in October and March (Except MBA).
- Students in the final semester of MBA Programme will have a Special Supplementary Examination in the month of February for I to V Semesters.
- Maximum number of chances available to pass an ESE is 6, with only 3 chances with the same syllabus.
- In the month of May there will be a special Supplementary Examination only for the final semester courses.

Promotion Policy

- Candidates who have not passed in at least 50% of the papers of the previous semesters are not promoted to the following year.
- LLB and Engineering including five-year integrated programmes:
 - Should pass in all the papers of the 1st year to be promoted to the 3rd.
 - Should pass in all the papers of the 1st and 2nd year to be promoted to the 4th year.
 - Should pass in all the papers of 1st, 2nd & 3rd year courses to be promoted to the 5th year.
